

West Front Street Closure- Detour Map

August 7th Until October 20th 2017

Engineering Department

West Front Street will be closed except for local traffic between Cedar Run Rd. and Elmwood Avenue.

West Front Street will be closed to all traffic between Elmwood Avenue and Division Street. Access to businesses and homes in the closed area will be maintained from the side streets and alleys. Crossings at Elmwood Avenue, Spruce Street and Cedar Street will be maintained as much as possible. Truck traffic serving businesses in the closed area will be allowed to use other local streets for deliveries to the area.

A marked detour will be signed. An electronic message board sign will be placed on Division Street (U.S. 31/M-37)

- Vehicular detour
- Pedestrian detour
- Bicycle detour
