

Stuart Rockafellow, PharmD, BCACP

Dr. Rockafellow graduated from the University of Michigan College of Pharmacy in 2005. His general practice residency was at the VA Ann Arbor Healthcare System and focused on geriatrics. His second year specialty residency was in Ambulatory Pharmacy with a focus in Primary Care took place at the New Mexico VA Health Care System in Albuquerque, New Mexico. He became a Board Certified Ambulatory Care Pharmacist in 2012.

Dr. Rockafellow most recently worked at the University of Michigan where he had a clinical practice in primary care in the Patient Centered Medical Home at the Canton Health Center. He also taught at the UM College of Pharmacy where he worked with future pharmacists to build their clinical skills and develop competencies in Diabetes, Hypertension, Hyperlipidemia, Parkinson's Disease, Alzheimer's Disease, and Men's Health issues. His most recent research focused on the evolving role of pharmacists in the Patient Centered Medical Home.

He is happily married to Carolyn, and they enjoy gardening, biking, walking and reading in their spare time. They are happily settling into their new home here in Traverse City.
